

**Mission:** Empower Oregon families experiencing disability in their pursuit of a whole life by expanding awareness, growing community, and equipping families.

## DONATION REQUEST

FACT Oregon, founded in 2002, is a family-led nonprofit that empowers families and youth to navigate and advocate for the supports and opportunities people with disabilities need to thrive at home, in school, and in community. Peer-delivered services are free for families and include a Support Line, trainings, resources, outreach, and advocacy. Since 2012-13, FACT has served as Oregon's state and federally designated Parent Training and Information Center for Special Education. FACT Oregon is a 501(c)(3), EIN 36-4533809.

Annually, FACT Oregon supports and trains more than 3,000 families across Oregon and connects with over 54,000 through our website, social media, partner events, eblasts, and more.

**Dream BIG Dreams** is an annual event that raises unrestricted dollars and builds collective energy and capacity for disability justice. **This year, we are hosting an online auction from June 14-June 20, 2024.** We invite you to join us in the spirit of creativity and generosity by donating an item or service to our online auction. Together, we can help more families navigating disability can get the support they need.

Please give families not just the gift of big dreams but also the support and opportunities their children with disabilities need to thrive at home, in school, and in community.

With hope for your support in 2024,  
FACT Oregon
