## Financial Empowerment for Youth with Disabilities

Six week learning series

The Financial Empowerment for Youth with Disabilities training series helps young people with disabilities and their families learn how to manage and make smart choices about money.

We encourage youth (14+), along with their families to attend together. Youth **MUST** attend.

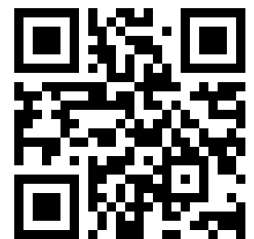

### Participants will learn:

- Why it's important for youth to make their own decisions about money.
- How to set goals, create budgets, and make plans to spend wisely.
- About bank accounts, digital wallets, and mobile payments.
- How to be safe with money.
- How credit - or borrowing money - works.
- How having a job can affect SSI/SSDI benefits.
- Financial and benefit counseling resources available to get more help.
